

The ABCs of CCBHC

Certified Community Behavioral Health Clinic

Part 2

What is a CCBHC?

What is a CCBHC?

- **Expands services of the RI CMHC model**

- Breaks down access barriers
- Integrates primary care and behavioral health care
- Promotes collaboration with other agencies

- **Provides a comprehensive range of services to vulnerable individuals**

- Gives each clinic the opportunity to determine what services are needed in their service areas

- **Prospective Payment System**

- Medicaid provides an enhanced reimbursement rate based on each clinic's anticipated costs

CCBHCs Provide Nine Core Services Directly or Through Formal Partnerships

Crisis Services

Outpatient Mental Health & Substance Use Services

Screening, Diagnosis & Risk Assessment

Person- & Family-Centered Treatment Planning

Psychiatric Rehabilitation Services

Community-Based Mental Health Care for Veterans

Outpatient Primary Care Screening & Monitoring

Peer, Family Support & Counselor Services

Targeted Case Management
